Dear Mr. Backlund:

The Flint Hills Metropolitan Planning Organization (FHMPO) and the Kansas Department of Transportation request approval functional classification changes in Manhattan and Riley and Pottawatomie County. KDOT worked with staff in Manhattan, both counties and the MPO to document all the proposed changes. These changes were approved by FHMPO Policy Board on December 20, 2017.

Attached is a complete listing of the proposed functional classification changes and maps showing the locations of the proposed changes. If you have any questions, please contact Alan Spicer at 296-3470.

Sincerely,

RE: Flint Hills MPO Functional Classification Update

Dear Mr. Spicer:

The Flint Hills Metropolitan Planning Organization (MPO) worked with the local jurisdictions and KDOT staff to update the federal functional classification map. The MPO Policy Board approved these changes on December 20, 2017.

The MPO is requesting both KDOT and the Federal Highway Administration's approval. Attached to this letter is a summary of changes for each applicable jurisdiction.

If you have questions or need additional information regarding this letter, please contact me at (785) 845-9050 or Stephanie@FlintHillsMPO.org.

Sincerely,

A handwritten signature in blue ink that reads "Stephanie Peterson".
